

## SR420 Vault Toilet Paper Dispenser

Data Sheet

### Function:

- Suicide Resistant (SR) Product designed to reduce the risk associated with conventional surface mount paper towel dispensers

### Application:

- Behavioral healthcare & correctional environments including washrooms accessed from corridors and patient rooms

### Features & Benefits:

- Innovative ligature resistant design (sloped top and bottom)
- Internal baffles impede insertion of contraband
- Compatible with 5" diameter (standard household) toilet paper rolls
- Main roll is inaccessible to patients, which may reduce infectious transmission, and may reduce the frequency of clogged toilets
- Reliably dispenses toilet paper through the housing, breaks off external to the housing
- Simple to install & easy to load

### Material/Finish:

SGA - Type 304 Stainless Steel, 16 Gauge x PC  
Anti-Microbial White

SGC - Type 304 Stainless Steel, 16 Gauge x PC  
Dull Chrome

### Capacity:

B - Diameter Roll 5" (Inch)

### Keying:

2 - Keyed Alike, 2 Keys Per Device
